

INTRODUCING

I WANT TO JOIN!

My parents gave me permission to join the only Club in Northeast Indiana where kids can help homeless animals.

Allen County SPCA Kids Club Pledge

I promise to do my best to help animals in my community. I will show respect towards all animals and will try to help make the world a better place for them. I will make responsible choices in caring for my own pets and in dealing with wildlife. I will try to share what I learn from the Allen County SPCA about animals to help teach others in my community.
